Summary

Web Developer specializing in Front-End development with over 3 years of experience in React and Angular frameworks, along with strong skills in NestJS for back-end development. Skilled in crafting seamless web-based interactions and designing highly responsive user interface components. Proficient in translating designs and wireframes into high-quality, efficient code, and adept at monitoring front-end performance and troubleshooting to ensure smooth, user-friendly experiences.

Experience

FRONT-END DEVELOPER | WIZME | JUN 2024 – FEB 2025

Working at Wizme on a global booking system, leveraging Angular along with advanced and powerful modern technologies to build and enhance scalable, user-friendly interfaces that streamline booking processes and improve user experience

FRONT-END DEVELOPER | TECHNOPLUS | NOV 2023 – JUN 2024

Enhancing the React framework structure for the TechnoPlus project. Working with Redux to manage state and handle asynchronous operations within the application. Utilizing Material UI to implement modern interface design concepts

FRONT-END DEVELOPER | FOCUS FOR TRADING & CONTRACTING | AUG 2022 – OCT 2023

Building reusable components in React to enhance project structure, utilizing Material UI libraries for optimal Material Design and customizations, and reducing bundle size in the project. Skilled in using Git for version control, demonstrating strong collaboration skills and effective teamwork within diverse development environments

FRONT-END DEVELOPER | FUTURECODE | FEB 2021 – JUL 2022

Determining the design and layout of web applications with accuracy.
Developing +10 web applications by using responsive with UI elements via react concept for smooth performance.

Education

BACHELOR OF COMPUTERS ENGINEERING | DAMASCUS UNIVERSITY | 2017-2021

Skills

FRONT-END SKILLS:

HTML | CSS | JavaScript | Bootstrap | TailwindCSS | Sass | JQuery | Material UI | Angular | Angular Material | React | RxJS | NgRx | NextJS

BACK-END SKILLS:

NestJS | Node.js | Express | MongoDB | Postgres | Firebase

TOOLS:

Git | Jenkins | Azure | JIRA | Figma | Webpack | Gulp.js | NPM | Docker

Interpersonal Skills

- Action oriented
- Multitasking
- Communications skills
- Problem solving
- Learning Agility
