Summary

Full-Stack Developer with over 4 years of professional Front-End experience in Nextjs and Angular, combined with hands-on backend experience in NestJS and PostgreSQL. Skilled in designing and building REST APIs, relational data models, and responsive, high-performance user interfaces from end to end. Proficient in translating designs and wireframes into high-quality, efficient code, and adept at monitoring application performance and troubleshooting across the stack.

Experience

FRONT-END DEVELOPER | WIZME | JUN 2024 – MAY 2025

Working at Wizme on a global booking system, leveraging Angular along with advanced and powerful modern technologies to build and enhance scalable, user-friendly interfaces that streamline booking processes and improve user experience

FULL-STACK DEVELOPER | TECHNOPLUS | NOV 2023 – JUN 2024

Developed and maintained web applications using Node.js, NestJS, and Next.js. Designed and integrated database schemas, ensuring secure data flow and efficient API performance. Implemented secure coding practices to protect data integrity

FRONT-END DEVELOPER | FOCUS FOR TRADING & CONTRACTING | AUG 2022 – OCT 2023

Experienced in building reusable React components with Next.js, utilizing Material-UI for optimal design and customizations, with a focus on bundle size optimization. Proficient in Git, demonstrating strong collaboration and teamwork in diverse development environments

FRONT-END DEVELOPER | FUTURECODE | FEB 2021 – JUL 2022

Determining the design and layout of web applications with accuracy. Developing +10 web applications by using responsive with UI elements via react concept for smooth performance.

Education

BACHELOR OF COMPUTERS ENGINEERING | DAMASCUS UNIVERSITY | 2018-2024

Additional Certifications:

- **ICDL** from IECD (2018)
- **Web Design** (2018)
- **Technical Support** from IECD (2021)
- **MSCA 20740 & Windows Server 2019** (2021) (online)

Skills

FRONT-END SKILLS :

HTML | CSS | JavaScript | Bootstrap | TailwindCSS | Sass | JQuery | Angular | Angular Material | React | RxJS | NgRx

BACK-END SKILLS :

Nestjs | Node.js | Express | Fastify | MongoDB | PostgreSQL | Firebase

TOOLS & TECHNOLOGIES:

Git | Jenkins | Azure | JIRA | Figma | Docker | AWS (EC2, S3, RDS, KMS)

Interpersonal Skills

- Action oriented
- Multitasking
- Communications skills
- Problem solving
- Learning Agility
